

Application for Heritage Designation

The undersigned hereby requests the City of Kawartha Lakes consider this application for designation under Part IV of the Ontario Heritage Act the lands and/or premises hereinafter described. Designation will be assessed on the basis of the criteria established by Ontario Regulation 9/06. In order for the property to be designated, it must hold significance in one of the following areas:

- 1. Architectural Significance** - The property is architecturally significant and is a good example of an architectural style or a particular building type, has a high degree of craftsmanship, or demonstrates specific technical merit.
- 2. Historical Significance** - The property is historically significant because it is associated with an outstanding community member, has played a role in an important historic event, or is designed by a prominent builder or architect.
- 3. Contextual Significance** - The property has contextual significance because it forms an integral part of the surrounding landscape or is a local landmark.

I agree that the Municipal Heritage Committee members and City heritage staff may have access to the property for the purpose of photographing and completing an evaluation according to the above listed criteria. I agree that staff will contact me to arrange a convenient time for site visit(s) to take place.

I understand that while designation does not prohibit the development, improvements or changes to the property, it does require that alterations do not compromise the heritage attributes of the property. I understand that I must apply for a heritage permit to make changes to the property and alterations must receive approval of the Municipal Heritage Committee prior to commencement.
