**THE CORPORATION OF THE
TOWNSHIP OF MANVERS**

**BY-LAW NUMBER:
87-06**

A ZONING BY-LAW

A By-Law to regulate the use of land, the erection of buildings or structures, the type of construction, the height, bulk, location, size, floor area, spacing, external design, character and use of buildings or structures in the TOWNSHIP OF MANVERS.

WHEREAS, it is considered desirable to control the use of land, the erection and use of buildings or structures in defined areas of the TOWNSHIP OF MANVERS in accordance with Section 34 of the Planning Act, R.S.O. 1990.

NOW THEREFORE, the Council of the Corporation of the TOWNSHIP OF MANVERS enacts the following:

SECTION 1

TITLE AND AREA RESTRICTED

1.1 This By-law shall be known as the "Zoning By-law" of the TOWNSHIP OF MANVERS.

1.2 Schedules "A", "B", "C", "D", and "E", attached hereto, with the notations, zone boundaries, symbols and references shown thereon, illustrate the areas to which this By-law applies and are hereby declared to be part of this By-law. The lands affected by this By-law may hereinafter be referred to as the "area zoned".

SECTION 2

SECTION 20

GENERAL PROVISIONS

20.1 ACCESSORY BUILDINGS, STRUCTURES AND USES

a. Permitted Uses

Where this By-law provides that a lot may be used or a building may be erected or used for a purpose, that purpose shall include any accessory building or accessory use, but shall not include the following:

- i. Any occupation for gain or profit conducted within or accessory to a dwelling unit or on the lot, except as specifically permitted within this By-Law.
- ii. Any building or part thereof used for human habitation, except as specifically permitted within this By-Law.

b. Location

Except as otherwise provided for herein, an accessory building shall only be erected in a side or rear yard and shall comply with the following requirements:

- i. An accessory building may be erected not closer than 1.3 metres from a rear lot line and 1.3 metres from the side lot line nor closer to a flanking street than the required front yard setback for the zone in which it is located and shall not be closer than 1.3 metres to a residential building.
- ii. A garage may be erected in the front yard on a lot which has a shore lot line provided that it has setbacks not less than the minimum front yard and side yard setbacks required for a main building in the applicable zone.
- iii. In the RR1 or A1 Zones, a building accessory to a residential use which exceeds a floor area of 60 sq. m shall be subject to a minimum setback of 6 metres from a side or rear lot line and 15 metres from a flankage lot line.
- iv. A garage accessory to a residential use in

the RR1 and A1 zones may be erected in a front yard subject to a minimum setback of 15 metres from the front lot line, 15 metres from a flankage lot line and 6 metres from a side lot line.

- v. In addition to clause "iv." above, where a garage is erected within 10 metres of a side lot line in a front yard in an RR1 or an A1 zone and is within 45 m of a dwelling on an immediately abutting lot which is less than 10 metres from the common lot line then the garage shall not locate closer to the common lot line than a line projected toward the front lot line with an interior angle of 30 degrees from an origin at the intersection of the minimum side yard on the abutting lot with a line projected from the limit of the front yard on the subject land or the limit of the front yard on the abutting property, whichever front yard has the least depth, as demonstrated on Plate 'B' attached hereto and forming part of this By-law.
- vi. Notwithstanding the setbacks from side and rear lot lines in clause "i.", above, an accessory building in an RR1 or A1 Zone which exceeds 4.3 metres in height shall have a minimum setback from a side or rear lot line of 6 metres.
- vii. An accessory building for an agricultural use shall have a minimum setback of 9 metres from a side or rear lot line and 15 metres from a flankage lot line.

(B/L 99-05)

c. Lot Coverage and Height

The total lot coverage of all accessory buildings shall not exceed 8 percent of the lot area. (B/L 99-05)

The height of an accessory building or structure, in a residential zone or to a residential use, shall not exceed 5 metres (16.4 ft.). Further, the height of such accessory building or structure shall be measured as the mean level between eaves and ridge of a gabled, hip, gambrel or mansard roof, or other type of pitched roof. (B/L 2002-139)

d. Accessory Structures

Notwithstanding the yard and setback provisions of this By-law, drop awnings, flag poles, garden trellises, retaining walls, fences, signs or similar uses are permitted in any required yard or in the area between the street line and the setback provided they comply with all other provisions of this By-law.

e. Boat House, Pump House, Dock

Notwithstanding any other provisions of this By-law, a boat house, dock or pump house can be erected and used in the water setback provided that the approval of any other governmental authority having jurisdiction within this area has been obtained.

A boat house shall not exceed one storey.

f. Swimming pools

A swimming pool shall be permitted in a side or rear yard of a lot provided that it meets the setback provisions of the appropriate Zone.

g. Satellite Dishes

A satellite dish shall only be permitted in the rear yard.

20.2 CONSTRUCTION USES

a. On a lot where a building permit has been issued for a dwelling, a mobile camper trailer or tourist trailer may be used for habitation until such time that the construction is completed or the building permit has lapsed, provided it is no longer than 9 months from the first issuance of the building permit.

b. On a lot where a building permit has been issued for a dwelling, a building or structure may be used for the storage of materials and equipment until such time that the construction is completed or the building permit has lapsed provided it is no longer than 9 months from the first issuance of the building permit.

20.3 DAYLIGHTING TRIANGLE

Notwithstanding any other provisions of this By-law, in a residential, commercial or industrial zone on a

corner lot, a fence, hedge, shrub, bush or tree or any other structure, vegetation or grade shall not be permitted to exceed a height greater than 75 centimetres above finished grade of the streets that abut the lot within the daylighting triangle for a distance of 6 metres from their point of intersection.

No sign shall be permitted within or to overhang the required daylighting triangle.

20.4 EXEMPTION FOR LOT FRONTAGE AND AREA REQUIREMENTS

Where a lot has less lot area and/or lot frontage than required herein at the date of passing of this By-law or where such lot is created as a result of expropriation or where a lot is reduced in size due to land being acquired by the County, Township or Province such smaller lot may be used and a building or structure may be erected, altered or used on such smaller lot provided that said lot has a minimum lot area of 750 square metres, a minimum lot frontage of 15 metres, and that all other requirements of this By-law are complied with.

20.5 ESTABLISHED BUILDING LINE IN BUILT-UP AREA

Notwithstanding the yard, setback and landscaping provisions of this By-law, where there is an established building line extending on both sides of the lot, such permitted building or structure may be erected closer to the street line or high water mark than required by this By-law provided such permitted building or structure is not erected closer to the street line or high water mark than the established building line on the date of passing of this By-law.

20.6 EXTERNAL DESIGN

The following building materials shall not be used for the exterior vertical facing on any wall of any building or structure within the Corporation:

- i. Tar paper or building paper; or
- ii. Asphalt fibre board

20.7 PITS AND QUARRIES

No pit or quarry shall be established or made in any area of the Corporation except in a zone where a pit or quarry is included under the heading "Uses Permitted" in this By-law.

Notwithstanding any other provision of this By-law, a wayside pit or quarry shall be considered to be a permitted use except in a Residential Zone, Commercial

Zone or Community Facility Zone.

20.8 GREATER RESTRICTIONS

This By-law shall not reduce or mitigate any more stringent restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

20.9 HEIGHT EXCEPTION

Notwithstanding the height provisions herein contained, nothing in this By-law shall apply to prevent the erection, alteration, or use of the following buildings or structures provided the use is permitted:

barn, church spire, belfry, flag pole, clock tower, chimney, water tank, windmill, non-commercial radio or television tower or antenna serving one lot, air conditioner duct, grain elevator, or, silo or corn crib.

20.10 NON-CONFORMING USE AND NON-COMPLYING PROVISIONS

a. Non-conforming Uses

No person shall use any land or erect or use any building or structure except for those uses permitted in the zone in which such land, building or structure is or is to be located. Uses existing prior to the date of passing of this by-law may continue as an existing, legal, non-conforming use.

A non-conforming use shall not be enlarged, extended, reconstructed or otherwise structurally altered unless such building or structure is thereafter to be used for a purpose permitted within such zone, and complies with all requirements for such zone.

b. Non-complying Uses

A non-complying use, building or structure may be enlarged or extended provided that the extension or enlargement complies with the requirements of this By-law.

c. Restoration to a Safe Condition

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof, lawfully used on the date of passing of this

By-law, provided that the strengthening or restoration does not increase the building height, size or volume or change the use of such building or structure, except such minor changes as may be expressly required for the restoration of the building or structure to a safe condition.

d. Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use, for a purpose prohibited by this By-law of any building or structure, the plans for which have prior to the date of passing of the By-law been approved by the By-law Enforcement Officer, as long as the building or structure when erected is used and continues to be used for the purpose for which it was approved and provided the erection of such building or structure is commenced within six months or as provided for in the Planning Act after the date of the passing of this By-law and such building or structure is completed within one year after the erection thereof is commenced.

e. Damaged Buildings

Nothing in this By-law shall prevent the rebuilding or repair of any building or structure that is damaged or destroyed by causes beyond the control of the owner subsequent to the date of passing of this By-law provided that the dimensions of the original building or structure are not increased and the use of the building or structure is not altered, provided such rebuilding or repair is conducted within two years.

20.11 DWELLING UNIT RESTRICTION

Except as specifically provided for in other sections of this By-law, a maximum of one dwelling unit per lot shall be permitted.

20.12 PARKING REQUIREMENTS

a. Off-street parking

For every building or structure to be erected, off-street parking having unobstructed access to a public street shall be provided and maintained in conformity with the following:

<u>USE</u>	<u>PARKING SPACES REQUIRED</u>
Auction or sales barn	4 per 9 square metres of gross

	floor area(B/L 92-17)
Commercial, Uses	1 per 30 sq.m of floor area

Service Shop	1 per 15 sq.m of floor area.
Trailer Camp	1.5 per camping lot.
Any Other Use	1 per 100 sq.m of floor area.

b. Standards for Parking Lots

The following development standards shall apply to all parking lots required under this By-law:

- i. The parking lot shall have visible boundaries and shall be suitably drained;
- ii. Except as provided elsewhere in this By-law, the parking lot shall be located on the same lot as the use for which it is intended to serve;
- iii. When a building or structure has insufficient parking on the date of passing of this By-law to conform to the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, however, any addition shall provide the necessary parking required under this By-law;
- iv. No driveway shall be located closer than 15 metres from the limits of the right-of-way at the street intersection;
- v. Where a building or structure accommodates more than one type of use, the parking requirements shall be the sum of the requirement of the separate uses;
- vi. Access to the required parking areas shall be provided by means of unobstructed driveways or passageways at least 4 metres in width. For access to parking spaces the aisle width shall be 4 metres for parallel to 45 degrees parking. For 46 degrees to 90 degrees parking, the aisle width shall be 7.5 metres; and
- vii. The parking spaces within the parking lot shall be identified by such means as painted lines or cement parking curbs.

c. Other Parking Regulations

- i. Parking spaces and areas required by subsection 20.12 a. shall only be used for the parking of motor vehicles bearing current, valid licence plates and for vehicles necessary or incidental to permitted uses in respect of which such parking spaces or areas are required.

- ii. Within any RR2, RR3, RM4 or LSR zone, a maximum of one school bus or one commercial motor vehicle having a registered gross vehicle weight of less than 9 tonnes and which is owned or operated by the occupant of a lot may be parked or stored on such lot. This limitation shall not apply to prevent the parking of commercial motor vehicles parked for the purposes of making deliveries or providing any service of a temporary nature to a lot or to lots where such use existed prior to March 12, 1987.

- iii. No lot or part of a lot within any residential zone except a private garage or other permitted building shall be used for the storage of unlicensed motor vehicles or parts of motor vehicles. (B/L 92-18)

20.13 OFF STREET LOADING SPACE REQUIREMENTS

- a. For every building or structure hereafter erected, or for every addition to an existing building, in a Rural Specialized, Commercial or Industrial Zone involving the frequent shipping, loading or unloading of persons, animals, goods, wares or merchandise there shall be provided and maintained by the owner of the building at the premises, loading facilities on land that is not part of a highway, parking lot, or required driveway, comprised of 1 or more loading space 17 metres long, 4 metres wide and having a vertical clearance of at least 4.5 metres with access to a street and according to the floor area of the building or structure as follows:

<u>FLOOR AREA OF BUILDINGS</u>	<u>NUMBER OF LOADING SPACES</u>
less than 280 sq.m	no loading spaces
280 sq.m up to and including 2300 sq.m	1 loading space
over 2300 sq.m	2 loading spaces

- b. In addition, no loading space or platform or loading door shall be located in any yard or wall of any building or structure which adjoins or faces a street. With the exception of automobile parking lots, parking lot(s) for the use of commercial and industrial traffic shall be provided but shall not be located in any yard flanking a street.

- c. Where an addition to an existing building has the effect of increasing total floor area to 281 square metres or greater, the provisions herein shall apply.

20.14 LANDSCAPING

- a. In any zone, all landscaping shall be in accordance with the definition of Landscaping and shall be maintained in a healthy condition and shall be neat and orderly in appearance.
- b. Where the property boundary of a Rural Specialized, Commercial or Industrial Zone abuts a Residential or Community Facility Zone or is within 15 metres of a residential use on a separate lot, a landscaped buffer not less than 5 metres in width within the Rural Specialized, Commercial or Industrial Zone boundary shall be provided. The landscaped buffer shall provide high and low level visual screening and consist of a mixture of deciduous and evergreen planting. As a minimum, the landscaped buffer shall consist of a continuous unpierced hedgerow of evergreens or shrubs, not less than 1.5 metres high at planting, immediately adjacent to the lot line or portion thereof along which such landscaped buffer is required. The landscaped buffer may be reduced in width to 2 metres where an opaque fence, 1.5 metres in height, is constructed in conjunction with the landscaped buffer.

20.15 MULTIPLE USES

Where any land or building is used for more than one purpose, all provisions of this By-law relating to each use shall be complied with. Where a multiple use is located within or adjacent to a Residential Zone, landscaping provisions shall be provided in accordance with subsection 20.14.

20.16 MULTIPLE ZONES ON A LOT

Where a lot which existed at the date of passing of this By-law is located within two or more zones, the provisions of the applicable zone, save and except lot area and lot frontage, shall apply to each portion of such lot provided the lot, as a whole, has a minimum lot frontage of 15 metres. In such instances, the zone boundary shall be considered a lot line for the purposes of interpreting and applying the "zone" and "general" provisions of this By-law. However, no lot shall be created within any zone unless the lot created

and the remnant lot comply with the minimum lot area and lot frontage requirements of the applicable zone. (B/L 92-18)

Where a lot is divided into two or more zones, the zone boundary shall be interpreted to be a lot line as defined herein except: (B/L 88-18)

- a. Where the RR1-S3 and 01-S1 zones appear together on any schedule to the By-law and share a common boundary then the two zones combined shall be considered to be one lot. (B/L 88-18)
- b. Where the A1-S3 and the 01-S1 Zones appear together on any schedule to the By-law and share a common boundary then the two zones combined shall be considered to be one lot and the lot frontage requirement of the A1-S3 zone shall apply. (B/L 88-20)
- c. Notwithstanding any other provision of the By-law to the contrary, where the A1-S8 and the 01-S1 Zones appear together on any Schedule to the By-law and share a common boundary then the two zones combined shall be considered as one lot and the minimum lot area and minimum lot frontage requirements of the A1 Zone shall apply to the combined area and frontage of the A1-S8 and 01-S1 Zones. All other provisions of the 01 Zone and the By-law shall apply to land zoned 01-S1. (B/L 90-01)
- d. Where the A1-S11 Zone and any other A1 Zone category appear together on any schedule to the By-law and share a common boundary then the two zones combined shall be considered one lot and the provisions of the A1 Zone shall apply. (By-law 95-13)
- e. Where the RR1-S16 and 01-S4 zones appear together on any schedule to the By-law and share a common boundary, then the combined area of the two zones shall be used to determine the minimum lot area and the lot frontage of the RR1-S16 zone shall be used to determine the minimum lot frontage. (B/L 2000-28)
- f. Where the A1-S36 and 01-S5 appear together on any schedule to the By-Law and share a common boundary, then the combined area of the A1-S36 and 01-S5 zones shall be considered to be one lot and the minimum lot area requirements of the A1 Zone shall apply to the combined area. The zone boundary shall be considered a lot line for the

purposes of applying the zone requirements and general provisions of the By-law.

- g. Where the A1-S38 and O1 appear together on any schedule to the Bylaw and share a common boundary, then the combined area of the A1-S38 and O1 zones shall be considered to be one lot and the minimum lot area requirements of the A1 Zone shall apply to the combined area. The zone boundary shall be considered a lot line for the purposes of applying the zone requirements and general provisions of this By-law."
- h. Where the A1-S39 and O1 appear together on any schedule to the Bylaw and share a common boundary, then the combined area of the A1-S39 and O1 zones shall be considered to be one lot and the minimum lot area requirements of the A1 Zone shall apply to the combined area. The zone boundary shall be considered a lot line for the purposes of applying the zone requirements and general provisions of this By-law. (B/L 2019-049)
- i. Where the A1-S41 and O1 appear together on any schedule to the Bylaw and share a common boundary, then the combined area of the A1-S41 and O1 zones shall be considered to be one lot and the minimum lot area requirements of the A1 Zone shall apply to the combined area. The zone boundary shall be considered a lot line for the purposes of applying the zone requirements and general provisions of this By-law.

20.17 OBNOXIOUS AND PROHIBITED USES

No use shall be permitted which, from its nature or the materials used therein, is declared to be an offensive trade, business or manufacturing concern under the Public Health Act or regulations thereunder.

20.18 PUBLIC USES PERMITTED

a. The provisions of this By-law shall not apply to the use of any land or to the erection of any building or structure for the purpose of public service by the Municipality or the County, any telephone or telegraph company or gas company, and Department of the Government of Ontario or Canada, including Ontario Hydro, provided that where such building or structure is located in a Residential Zone:

i. No goods, material, or equipment shall be stored in the open.

ii. The lot coverage and yard requirements prescribed for the RR1 Zone shall be complied with; and

iii. Any building erected under the authority of this paragraph shall be designed and maintained in general harmony with residential buildings of the type permitted in such zone.

b. Streets & Installations on Streets

Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipe line or overhead or underground hydro, telephone or other supply and/or communication line, provided that the location of such installation has been approved by the Corporation.

20.19 RELOCATED BUILDINGS

In all zones, no buildings, residential or otherwise, shall be moved within the area covered by this By-law or shall be moved into the limits of the area covered by this By-law without a permit from the By-law Enforcement Officer.

20.20 WATER SETBACK REQUIREMENT

Except as provided in subsection 20.1, article e., the minimum water setback shall supercede all other setback requirements.

20.21 THROUGH LOTS

Where a lot other than a corner lot has frontage on more than one (1) street, the front yard setback and other requirements contained herein shall apply on each street in accordance with the provisions of the zone or zones in which such lot is located.

In the case of a through lot having boundaries dividing the lot from the streets of equal length, accessory buildings may be located in one or the other yard adjoining a street, but no closer to the street line than the minimum front yard requirement.

20.22 GROUP HOMES

- a. Group homes, with the exception of group homes which are licensed under the Ministry of Correctional Services Act and the Charitable Institutions Act, shall be permitted in the Rural General (A1) Zone and the Residential (RR1, RR2, RR3 and LSR) Zones.
- b. The Township is divided into quadrants with the boundaries being Highway 35 as the division between the eastern and western sides of the Township and Highway 7A as the division between the northern and southern sections of the Township. Only one group home shall be permitted in each quadrant.
- c. No group home shall be permitted within 1.5 kilometres of another group home within the Township.
- d. The group home shall only be permitted in a single detached dwelling.
- e. Group homes shall be located on an improved public street, assumed and maintained year round. (B/L 92-18)

20.23 HOME OCCUPATIONS

The following regulations apply to dwelling units wherein a home occupation is permitted:

- a. The use is secondary to the use of the dwelling unit as a private residence;

- b. It does not change the external character of the premises as a private residence;
- c. There shall be no display, other than a sign erected in conformity with the By-laws of the municipality, to indicate to persons outside that any part of the dwelling unit or lot is being used for a purpose other than residential.
- d. It does not create or become a public nuisance with respect to noise, traffic or parking;
- e. Parking shall be provided in accordance with subsection 20.12;
- f. All goods and materials are stored within a wholly enclosed building; and
- g. It does not occupy more than twenty-five per cent of the floor area of the dwelling unit.

20.24 FRONTAGE ON PUBLIC STREETS

- a. No person shall erect any building or structure in any Zone after the date of the passing of this By-law, unless the lot upon which such building or structure is to be erected fronts upon and gains direct access onto an improved public street, maintained year round.
- b. Notwithstanding the provisions of subsection 20.24 a., the provisions of this By-law shall not prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a subdivision agreement has been entered into with the Municipality and registered on title, whereby the street is to be assumed and maintained year round by the Municipality.

20.25 Holding Zone

Unless otherwise specified within the respective zone regulations, where the zone symbol shown on a Schedule to this By-law is followed by a letter (H), the use of the lands shall be limited to the existing uses.

20.26 Public Acquisition

Any land acquired by the Municipality, County, Public Authority or Province which results in a legally conveyable lot becoming non-complying or further reducing an existing non-complying legally conveyable lot then the lot shall be deemed to be an existing legal non-complying lot. The requirements of subsection 20.4 shall apply to such lots.

20.27 Special Event

Shall mean an event, the duration of which is temporary in nature and which is limited to one or more of the following uses: an exhibition, a fair, festival, or a recreational and/or motor vehicle type competition.

For the purpose of this definition, "temporary" shall mean that the combined total duration of all Special Events held on one property shall not exceed three (3) days in a calendar year.

For the purpose of this By-law, a Special Event occurring on a lot owned by the Corporation of the Township of Manvers, any School Board or any public authority including the County of Victoria, or any Department, or any Ministry of the Government of Ontario, or any Conservation Authority established by the Government of Ontario, or a community centre shall be deemed to be a public use.

(B/L 93-06)

20.28 SECOND SINGLE DETACHED DWELLINGS

In the Rural General (A1) Zone, a second single detached dwelling shall be permitted subject to the following:

- a) The property on which the second single detached dwelling use is located has to be classed as a farm by MPAC, and shall be on a lot of at least 20 hectares.
- b) A maximum of one second single detached dwelling per lot.
- c) A covenant be registered on title that residence will be used for full-time farm help only.
B/L 2007-289

20.29 SEASONAL FARM RESIDENTIAL USE

- b) The seasonal farm residential uses cannot exceed 250 square metres in area and may be contained in more than one building.

- c) A covenant be registered on title that the residence will be used only for seasonal farm residential use.
- d) That the seasonal farm residential use shall not exceed eight months per seasonal worker in each calendar year.
B/L 2007-289

20.30 ADDITIONAL RESIDENTIAL DWELLING UNITS (B/L 2020-160)

Notwithstanding the permitted uses, maximum densities and minimum gross floor areas listed elsewhere in this By-law, additional residential dwelling units are permitted in all zones that permit single detached, semi-detached, or town house dwelling units, subject to the following provisions:

- i. A maximum of two (2) additional residential dwelling units, one (1) within the same building as the primary residential dwelling unit and one (1) within an accessory building or structure to the primary residential dwelling unit.
- ii. Notwithstanding subsection 20.29, a lot may have an additional residential dwelling unit in addition to a garden suite, approved through a Temporary Use By-law, or a second single detached dwelling in accordance with subsection 20.28.
- iii. Unless otherwise stated, all zone provisions continue to apply to an additional residential dwelling unit.
- iv. An additional residential dwelling unit located in an accessory building or structure shall be in accordance with the provisions in subsection 20.1. An accessory building or structure containing an accessory residential dwelling unit located on an upper storey shall have a maximum height of 10 m and minimum yard setback of 1.2 m.
- v. A lot has frontage on an improved public street, maintained year round.
- vi. A minimum lot area of 0.4 ha (4000 sq. m.) on private services.
- vii. The floor area of the additional residential dwelling unit is equal to, or less than, the

gross floor area, excluding attached garage floor area of the primary residential dwelling unit without any modification to the building's bulk or massing.

- viii. Where applicable, an additional residential dwelling unit shall not be permitted on a lot which contains a bed and breakfast establishment.
- ix. At a minimum, on-site parking shall be provided in accordance with the requirements for the primary residential dwelling unit. Where there is a home occupation in an additional residential dwelling unit, parking shall be in accordance with subsection 20.12.
- x. An additional residential dwelling unit shall be accessed from the street via a walkway or driveway.
- xi. An additional residential dwelling unit or part thereof shall not be within the floodplain or water setback.
- xii. Compliance with the provisions of the Ontario Building Code, Fire Code and all other relevant municipal and provincial standards.
- xiii. Registration of the additional residential dwelling unit in accordance with the City's Additional Residential Unit Registration By-law.

20.31 SOURCE WATER PROTECTION (B/L 2020-124)

- 20.31.1 All development will comply with the Clean Water Act through the applicable Source Protection Plans, as amended from time to time.
- 20.31.2 For all applicable terms, refer to the Definitions Section of this By-law. Refer to the applicable Source Protection Plans for terms not defined herein.
- 20.31.3 Wellhead Protection Areas (WHPAs) and Intake Protection Zones (IPZs) are identified as an overlay layer on Schedule "A" and include all levels of vulnerability for municipal water sources serving the City.

- 20.31.3.1 In the case of WHPAs the extent of the vulnerable area encompasses WHPA-A through WHPA-E.
- 20.31.3.2 In the case of IPZs the extent of the vulnerable area encompasses subzones IPZ-1 and IPZ-2.

- 20.31.4 Notwithstanding the uses permitted by the underlying zone category in this By-law, the following land use activities shall be prohibited in the vulnerable areas identified on Schedule 'A' to this By-law where they would constitute a future significant drinking water threat under the Clean Water Act, unless stated otherwise in the applicable Source Protection Plans:
 - 20.31.4.1 Waste disposal sites
 - 20.31.4.2 On-site sewage systems (in excess of 10,000 L)
 - 20.31.4.3 The application, storage or management of agricultural source material
 - 20.31.4.4 The application, handling or storage of non-agricultural source material
 - 20.31.4.5 The application, handling or storage of commercial fertilizer
 - 20.31.4.6 The application, handling or storage of pesticide
 - 20.31.4.7 The handling or storage of road salt
 - 20.31.4.8 The storage of snow
 - 20.31.4.9 The handling or storage of fuel
 - 20.31.4.10 The handling or storage of a dense non aqueous phase liquid
 - 20.31.4.11 The handling or storage of an organic solvent
 - 20.31.4.12 The use of land as livestock grazing or pasturing land, an outdoor confinement area or a farm-animal yard

- 20.31.5 Notwithstanding the list of prohibited land use activities in Section 2.4, a Risk Management Official may issue a written decision enabling the City to determine that a site-specific land use activity is permitted in accordance with Section 58 and Section 59 of the Clean Water Act based on location, amount and extent of the threat.

- 20.31.6 Within the vulnerable area illustrated on Schedule 'A', as it applies to dense non aqueous phase liquids, Section 2.4 shall not apply to incidental volumes used as part of a residential use.

20.31.7 Where a conflict may arise between Source Water Protection provisions in this By-law and any other provisions herein, the provision(s) that afford the greatest protection to surface and groundwater shall prevail to the extent necessary to resolve the conflict.

20.32 CANNABIS PRODUCTION AND PROCESSING FACILITIES (B/L 2021-057)

20.32.1 Notwithstanding any other provision of this Bylaw, Cannabis Production and Processing Facilities shall be subject to the following provisions; this by-law only allows for the Production and Processing of cannabis for operators in possession of a valid license or registration by the federal Minister of Health, pursuant to the Access to Cannabis for Medical Purposes Regulations, SOR/2016-230, to the Controlled Drugs and Substances Act, SC 1996, c 19, as amended from time to time, or any successors thereto.

20.32.2 The cannabis production and processing facility shall comply with all regulations prescribed within the zones where the use is permitted.

20.32.3 Notwithstanding 20.32.2:

- i. in the Rural General (A1) Zone, Rural Specialized (A2) Zone, and General Industrial (M1) Zone, a cannabis production and processing facility equipped with air filtration control shall not be located close than 70m to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.
- ii. in the Rural General (A1) Zone, Rural Specialized (A2) Zone, and General Industrial (M1) Zone, a cannabis production and processing facility without air filtration control shall not be located close than 300m to the following to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.

SECTION 21

SECTION 22

INTERPRETATION

22.1 SCOPE

In their interpretation and application, the provisions of this by-law shall be held to be the minimum requirement adopted for the promotion of public health, safety, convenience and general welfare.

22.2 SCOPE

The symbols used on the schedule attached hereto refer to the appropriate zones established by this by-law.

22.3 DEFINED

The extent and boundaries of all zones are shown on the schedule attached hereto, and all such zones are hereby defined as areas to which the provisions of this by-law shall respectively apply.

22.4 INTERPRETATION OF ZONE BOUNDARIES

Where the boundaries of any zone, as shown on the attached schedule are uncertain, the following provisions shall apply:

- a. Where a zone boundary is indicated as following a street or lane, the boundary shall be the centre line of such street or lane.
- b. Where a zone boundary is indicated as approximately following lot lines shown on a registered plan of subdivision or lots registered in the appropriate Registry Office or Land Titles Office, the boundary shall follow such lot lines.
- c. Where a street, lane, railroad or railway right-of-way, or watercourse is included on the zoning map, they shall, unless otherwise indicated, be included in the zone of the adjoining property on either side thereof.
- d. Where a street, lane, railroad or railway right-of-way, electrical transmission line right-of-way, or watercourse is included on the zoning maps and serves as a boundary between two or more different zones, a line midway on such street, lane, right-of-way or watercourse and extending in the general direction of the long division thereof shall be considered the boundary between zones unless specifically indicated

otherwise.

- e. Where a zone boundary is indicated as following the limits of the Municipality, the limits shall be the boundary.
- f. Where none of the above provisions apply, the said zone boundary shall be scaled from the attached Schedules at the scale indicated.

22.5 CERTAIN WORDS

In this by-law words used in the present tense include future; words in the singular number include the plural; words in the plural include the singular number; and the word "used" includes "arranged, designed, or intended to be used"; the word "shall" is mandatory and not directory.

SECTION 23

ADMINISTRATION AND VALIDITY

23.1 ENFORCEMENT

No permit for the use of land or for the erection or use of any building or structure and no certificate of occupancy or approval of application for any municipal license within the jurisdiction of the Council shall be issued or given where the proposed building, structure or use is in violation of any provisions of this by-law.

23.2 INSPECTION OF PREMISES

A By-Law Enforcement Officer as is assigned the responsibility of administering and enforcing this by-law by the Municipality may, at all reasonable times and upon producing proper identification, enter and inspect, either by himself or accompanied by one assistant, any property or premises in or about which there is reason to believe that the provisions of this by-law are not complied or conformed with, for the purpose of carrying out his duties under this by-law.

23.3 REPEAL OF COMPREHENSIVE BY-LAW 1515-72 AS AMENDED

By-law 1515-72 as amended is hereby repealed, effective when this By-Law is in full force and effect.
