1. INTRODUCTION

The following constitutes Volume II of the Official Plan of the Town of Lindsay. This Volume should be read in conjunction with Volume I.

The text and schedules of Volume II are adopted as formal amendments to the Official Plan and provide a finer degree of policy direction for selected communities, neighbourhoods or other sub-areas throughout the Town.

In the event of a conflict between the detailed policies and schedules of any Community Development Plan contained in Volume II and the general policies and schedules of Volume I, the Community Development Plan contained herein shall take precedence provided the overall goals and objectives of Volume I are maintained.
