

Same design as Option 1

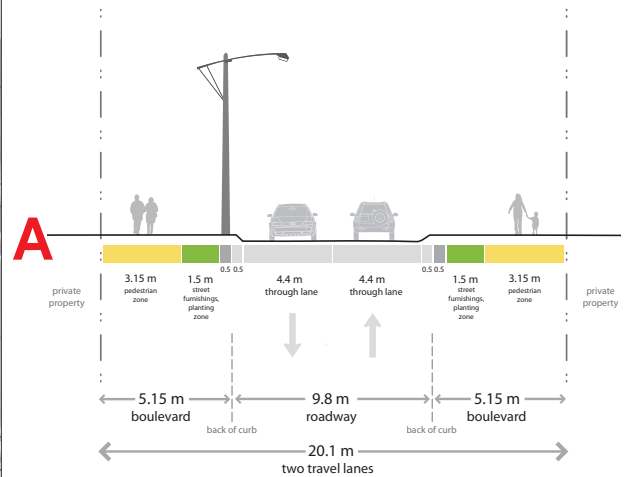

Legend

- Decorative paving
- Public realm
- Potential seasonal vehicle access
- Small deciduous tree (conceptual)
- Large deciduous tree (conceptual)
- Landscape treatment
- Parking lost
- Parking gained

Bump out improves pedestrian safety, protects parked vehicles and helps direct through traffic; dotted line shows potential bump out reduction that allows a dedicated right turn traffic slip-around lane to improve traffic flow, but increases crosswalk width

Existing condition: looking north up Cambridge Street North from the Fire Rescue Headquarters

Existing condition: looking north up Cambridge Street South at the Cambridge Mall
