**THE CORPORATION OF THE TOWN OF LINDSAY
ZONING BY-LAW NUMBER 2000-75**

**BEING A ZONING BY-LAW TO REGULATE THE
CHARACTER, LOCATION AND USE OF
LAND, BUILDINGS AND STRUCTURES
IN THE CORPORATION OF THE
TOWN OF LINDSAY**

WHEREAS authority is found in Section 34 of the *Planning Act, R.S.O. 1990, c.P.13, as amended*, to enact zoning by-laws;

AND WHEREAS there is an Official Plan in effect in the Town of Lindsay;

AND WHEREAS the Council of the Town of Lindsay has conclusively deemed that this By-Law is in conformance therewith;

AND WHEREAS the Council of the Corporation of the Town of Lindsay deems it necessary and desirable, and in the public interest to pass such a by-law with respect to lands in the Town of Lindsay;

NOW THEREFORE the Council of the Corporation of the Town of Lindsay enacts the following:

SECTION 1: INTRODUCTION

1.1 TITLE OF BY-LAW

This By-Law shall be known as the "Town of Lindsay Zoning By-Law".

1.2 LANDS SUBJECT TO BY-LAW

The provisions of this By-Law shall apply to all lands lying within the corporate limits of the Corporation of the Town of Lindsay, herein after known as the 'Town'.

SECTION 2: INTERPRETATION

2.1 CONFORMITY WITH BY-LAW

No person shall use any building, structure, lot or land, and no building, structure, lot or land hereafter shall be erected, altered or used, in whole or in part, except in strict conformity with the provisions of this By-Law.

2.2 COMPLIANCE WITH OTHER BY-LAWS

In the event of any conflict between this By-Law, or any amendment to this By-Law and the requirements of any other By-Law, the more restrictive or the By-Law imposing the higher standards shall govern and apply unless the context clearly requires otherwise.

2.3 COMPLIANCE WITH OTHER RESTRICTIONS

Nothing in this By-Law shall be construed to exempt any person from complying with any restrictions or regulations lawfully imposed by the Municipality or any other governmental authority or agency having jurisdiction to make such restrictions or regulations.

2.4 SCHEDULES TO BY-LAW

Schedules "A" and "B" attached hereto, with the notations, zone boundaries, symbols and references shown thereon, are part of this By-Law.

- a) Schedule "A" illustrates Zone boundaries. Such Zones may be referred to by the appropriate symbols as listed in Section 3.1 of this By-Law.
- b) Schedule "B" illustrates Environmental Features.

2.5 INTERPRETATION OF ZONE BOUNDARIES

When determining the boundaries of any Zone, as shown on Schedule "A" to this By-Law, the following provisions shall apply.

- a) Where a Zone boundary is indicated as following the road allowance of a street or road, a public lane or a public right-of-way, the boundary shall be the property line, unless otherwise indicated in this section.

- b) Where a Zone boundary is indicated as approximately following lot lines shown on a registered plan of subdivision or lots registered in the Registry Office or Land Titles Office, the boundary shall follow such lot lines.
- c) Where a Zone boundary is indicated as following the limits of the Corporation, the Zone boundary shall be the limits of the Corporation save and except in the event that the limit of the Corporation is a road allowance in which case the zone boundary shall be the property line.
- d) Where a boundary is indicated as following a shore line, the boundary shall follow such shore line, and in the event of change in the shore line, the boundary shall be construed as moving together with the actual shore line.
- e) Where none of the above provisions apply, the said Zone boundary shall be measured from Schedule “A” of this By-Law at the scale indicated.

2.6 CLOSINGS

In the event a dedicated street shown on Schedule “A” of this By-Law is closed, the property formerly in such street shall be included within the zone of the adjoining property on either side of the closed street. If a closed street is the boundary between two or more different zones, the new zone boundaries shall be the former centre line of the closed street.

2.7 INTERPRETATION OF CERTAIN WORDS

In this By-Law, unless the context clearly requires otherwise, words used in the present tense include future; words in the singular number include the plural; words in the plural include the singular number; the word “use” or “to use” includes “arrange for use”, “design for use”, “intend for use”, “permit to be used”, and “erect for use”; and the word “shall” is mandatory and not directory.

Where a regulation involves two or more items, conditions, provisions or events connected by the conjunction “and”, “or”, or “either-or”, the conjunction shall be interpreted as follows:

- a) “and” indicates that all connected items, conditions, provisions or events shall apply in any combination;
- b) “or” indicates that the connected items, conditions, provisions or events may apply single or in combination;
- c) “either-or” indicates that the connected items, conditions, provisions or events shall apply single but not in combination.

2.8 *MULTIPLE USES AND ZONES ON ONE LOT*

Notwithstanding any other provisions of this By-Law, where any land, building or structure is used for more than one permitted use, or where one lot is divided into two or more zones, all provisions of this By-Law shall be complied with for each use and zone, except in the case of lot area, lot frontage, coverage and minimum yard requirements, in which case the most restrictive or stringent requirement shall apply.

2.9 *PROPERTIES WITH MORE THAN ONE ZONE*

Where a lot is divided into more than one zone, each such portion of said lot shall be considered separately for the purposes of determining zone provisions such as lot area, lot frontage, required front yard, required side and rear yards and each such portion shall conform to the provisions of the appropriate zone, but no lot shall have more than one dwelling unit on the whole except as specifically provided in this By-Law.

SECTION 3: ZONES AND ZONING MAPS

3.1 ZONES

For the purpose of this By-Law, the following Zones and symbols are used and the same are established within defined areas on Schedule “A” attached hereto.

<u>ZONE</u>	<u>SYMBOL</u>
Residential One (R1) Zone	R1
Residential Two (R2) Zone	R2
Residential Three (R3) Zone	R3
Residential Multiple One (RM1) Zone	RM1
Residential Multiple Two (RM2) Zone	RM2
Residential High-rise One (RH1) Zone	RH1
Mixed Residential Commercial (MRC) Zone	MRC
Neighbourhood Commercial (NC) Zone	NC
Central Commercial (CC) Zone	CC
Local Commercial (LC) Zone	LC
General Commercial (GC) Zone	GC
Shopping Centre Commercial (SCC) Zone	SCC
Special Purpose Commercial (SPC) Zone	SPC
Prestige Employment (PE) Zone	PE
General Employment (GE) Zone	GE
Community Facility (CF) Zone	CF
Parks and Open Space (OS) Zone	OS
Future Residential (FR) Zone	FR
Future Community Development (FCD) Zone	FCD

In addition to the above noted zones and zone categories, Schedule “B” to this By-Law also defines Hazard Lands, Environmentally Sensitive Features, and Waste Disposal Assessment Areas, being those lands that are susceptible to flooding or erosion, have steep slopes or soil instability; lands which display sensitive features including spawning sites, water supply intakes or high sensitivity water use; and former waste sites and contaminated sites.

3.2 SPECIAL ZONES

Where the Zone symbol designating certain land is shown on Schedule "A" and is followed by a dash and a letter and number (e.g. GE-S1), then special provisions or limitations apply to such land. The special provisions will be found by reference to that section of the By-Law which deals with the particular Zone (e.g. GE Zone). Land shown in this manner shall be subject to all of the provisions of the Zone, in addition to or except as otherwise provided for by the special provisions.

3.3 HOLDING ZONES

Where a Zone symbol shown on Schedule "A" is followed by a Holding symbol, identified as (H) and a number in brackets (e.g. R3(H1)), the land shall only be used for existing uses at the time the Holding symbol was placed on the zoning category for the subject land. Land may be used for the uses permitted in the zoning category (e.g. R3) only after the Holding symbol has been removed by by-law passed by Council of the Town of Lindsay. In each instance, removal of the Holding symbol will be in accordance with specific provisions as set out in this By-Law. The specific provisions will be found by reference to that section of the By-Law which deals with the particular Zone (e.g. R3(H1) Zone).

3.4 SPECIAL REQUIREMENTS FOR ENVIRONMENTAL FEATURES

Development on lands located within the area identified as Hazard Lands, Environmentally Sensitive Features or Waste Disposal Assessment Areas on Schedule 'B' to this By-Law shall be subject to the studies as required by the Town of Lindsay Official Plan. The required study(ies) shall be submitted and approved by the Town of Lindsay prior to issuance of a Building Permit for the development.

SECTION 4: DEFINITIONS

In this By-Law, unless the context otherwise requires, the following terms when used shall have the meanings assigned to them as follows:

4.1 **ACCESSORY** means a use, building or structure that is not used for human habitation and is customarily incidental, subordinate and exclusively devoted to the principal use or main building, and located on the same lot therein.

Only non-flammable solvents are or can be used in such an establishment, with no odour or fumes emitted and no noise or vibration created which causes nuisance or inconvenience within or outside the building.

4.43 **DWELLING** shall mean a building or part of a building, occupied or capable of being occupied as a home, residence or sleeping place by one or more persons, containing one or more dwelling units.

4.44 Deleted. B/L2020-160

4.45 **DWELLING, CONVERTED** means a single detached dwelling unit, which because of size or design has been converted into more than one dwelling unit.

4.46 **DWELLING, DETACHED** means a completely detached dwelling unit.

4.47 **DWELLING, DUPLEX** means a building that is divided horizontally into two dwelling units each of which has an independent entrance either directly or through a common vestibule.

4.48 **DWELLING, FOURPLEX** means a separate building divided vertically and/or horizontally into four dwelling units.

4.49 **DWELLING, MAISONETTE** means a building that is divided into four or more dwelling units, each of which has independent entrances, one to a common corridor and the other directly to the outside yard area adjacent to the said dwelling unit. A maisonette shall not be considered an apartment building for the purpose of this By-Law.

4.50 DWELLING, MULTIPLE ATTACHED means a separate building that is divided vertically into four or more dwelling units each of which has independent entrances, to a front and rear yard immediately abutting the front and rear walls of each dwelling unit.

4.51 DWELLING, SEMI-DETACHED means a building that is divided vertically by a common wall extending at least one storey above average finished grade into two dwelling units. Such dwelling units shall be attached together horizontally above grade and may be held in separate ownership.

4.52 DWELLING, SINGLE DETACHED means a completely detached dwelling unit, but shall not include a mobile home.

4.53 DWELLING, TOWNHOUSE means a building that is divided vertically into three or more dwelling units, each of which has independent entrances, to a front and rear yard immediately abutting the front and rear walls of each dwelling unit, and each unit has frontage and direct access to a public street.

4.54 DWELLING, TRIPLEX means a building that is divided horizontally into three separate dwelling units each of which has an independent entrance either directly from the outside or through a common vestibule.

4.55 DWELLING UNIT means one or more habitable rooms designed or intended for use as an independent and separate household in which separate kitchen and sanitary facilities are provided for the exclusive use of the household, with a private entrance from outside the building or from a common hallway or stairway inside the building. A dwelling unit shall not include a motel; hotel, rooming or boarding house, tent, truck camper, tourist trailer, or mobile camper trailer, group home or crisis care facility.

4.55.A DWELLING UNIT, ADDITIONAL RESIDENTIAL means a residential dwelling unit that is self-contained, subordinate to and located within the same building or on the same lot as the primary residential dwelling unit. The additional residential unit includes a separate entrance, kitchen facilities, washroom facilities, and living space from the primary residential dwelling unit.

4.174.C **SIGNIFICANT DRINKING WATER THREAT, EXPANSION** shall mean an increase in the scale of an activity that is considered a significant drinking water threat already taking place on a property. The increase in scale may include, but is not limited to:

- a) Increasing the area of land where an activity is taking place;
- b) Increasing the amount of effluent or discharge from an activity;
- c) Increasing the quantity of chemical or pathogen-containing material handled or stored; or,
- d) Increasing the quantity of chemical or pathogen containing material applied.

4.174.D **SIGNIFICANT DRINKING WATER THREAT, FUTURE** shall mean an activity that is considered a significant drinking water threat that is proposed to commence after the date the applicable Source Protection Plan takes effect and is not an existing activity.

4.174.E **SOURCE MATERIAL, AGRICULTURAL** shall mean a variety of materials that may be sources of nutrients or pathogens, such as:

- Manure produced by farm animals, including bedding materials

- Runoff from farm-animal yards and manure storages;
- Wash water that has not been mixed with human body waste;
- Organic materials produced by intermediate operations that process the above materials (e.g., mushroom compost);
- Anaerobic digestion output that does not include sewage biosolids or human body waste; and
- Regulated compost that is derived from compost containing dead farm animals.

4.174.F **SOURCE MATERIAL, NON-AGRICULTURAL** shall mean a variety of materials that may be sources of nutrients or pathogens and are intended to be applied to land as nutrients, but are not necessarily produced on a farm, such as:

- Pulp and paper biosolids;
- Sewage biosolids;
- Anaerobic digestion output where less than 50% of the total material is on-farm anaerobic digestion materials; and
- Any other material that is not from an agricultural source (i.e. materials from dairy product or animal food manufacturing).

4.175 **SPECIALTY FOOD STORE** shall mean a store, with a gross floor area not exceeding 558 square m, carrying a specific type or class of foods (to the exclusion of other types or classes) such as a bakery, butcher shop, delicatessen, fish shop, gourmet or cheese shop, frozen food store, or bulk food store, but shall not include a “supermarket” as defined herein.

4.176 **STOREY** means that portion of a building between any floor and the next floor above, or if there is no floor above, that portion between such floors and the ceiling above it, except that any portion of a building below grade level shall not be deemed a storey unless one-half of its height is above the established grade.

4.177 **STOREY, HALF** means the portion of a building located wholly or partly within a sloping roof having a floor area of not less than one-third or more than two-thirds of the floor area of the storey next below, side-walls not less than four feet in height and a ceiling with a minimum height of seven and one-half feet over an area equal to at least fifty percent of its floor area.

4.178 **STREET, ROAD, or HIGHWAY** means a “highway” within the meaning of *The Highway Traffic Act, R.S.O. c.H.8, as amended*, and the *Municipal Act, R.S.O. 1990, c.M. 45, as amended*, and shall also include roads in registered Plans of Subdivision that are to be assumed under the terms of a subdivision agreement.

4.179 **STREET LINE** means the limit of the street or road allowance and the dividing line between a lot and a road, street or highway.

4.180 **STRUCTURE** means anything that is erected, built or constructed of parts joined together with a fixed location on the ground, or attached to something

having a fixed location in or on the ground and that includes buildings, walls or signs but does not include fences which do not exceed 3.0 metres in height.

4.181 STRUCTURAL ALTERATIONS means any change in the supporting members of a building, such as foundations, bearing walls, columns, beams, girders and partitions.

4.182 SUPERMARKET means a food store which carries a general range of grocery products, including fresh produce, fresh meat and fresh dairy products in addition to packaged and bulk goods and other household items, and which is greater than 465 square m in size.

4.183 SWIMMING POOL means a structure which creates an artificial body of water of more than 9 square m in area and more than 0.5 metres in depth used for bathing, swimming or diving.

4.184 TENT AND TRAILER PARK means an establishment consisting of camping lots and comprising land used or maintained as grounds for the overnight camping or parking of tourist trailers, truck campers, motor homes or tents but not mobile homes for recreational or vacation use designed for seasonal occupancy only including facilities normally incidental to such uses including common washrooms, lavatory and bathing facilities and indoor and/or outdoor recreation facilities. A trailer park does not include parks or camping grounds maintained by:

- a. any department of the Government of Ontario or of Canada; or
- b. any Crown Corporation or Town Commission or Board.

4.185 THEATRE means a building or part of a building which is used for the commercial showing of films or presentation of live entertainment.

4.186 TRAILER means a vehicle that is at any time drawn upon or capable of being drawn by a motor vehicle, and shall be considered a separate vehicle not part of the motor vehicle by which it is drawn, including vehicles commonly referred to as utility trailer, tent trailer, travel trailer, and truck campers but does not include a motorized mobile home.

4.187 TRUCK TERMINAL means a building or property used as an origin or destination point for the loading, unloading, assembling or transferring of goods transported by truck or which provides containerized freight handling facilities and/or when local pick-up, delivery and transitory storage of goods incidental to the primary function of the motor freight shipment is provided.

4.188 USE means, when used as a noun, the purpose for which a lot or building or structure, or any combination thereof is designed, arranged, intended, occupied or maintained. "USE" when used as a verb, 'to use' or 'used', shall have the corresponding meaning.

4.188.A **VULNERABLE AREA** shall mean Wellhead Protection Areas and Intake Protection Zones around municipal drinking water sources where activities may be a significant drinking water threat now or in the future.

4.189 **WAREHOUSING** means land, a building or a structure used for the storage and/or distribution of goods, wares, merchandise, substances, articles or things, and may include facilities for an accessory, wholesale or retail commercial outlet, but shall not include a cartage or transport depot.

4.189.A **WASTE DISPOSAL SITE** within the meaning of Part V of the Environmental Protection Act shall mean:

- a) any land upon, into, in or through which, or building or structure in which, waste is deposited, disposed of, handled, stored, transferred, treated or processed, and
- b) any operation carried out or machinery or equipment used in connection with the depositing, disposal, handling, storage, transfer, treatment or processing referred to in clause a).

4.189.B **WELLHEAD PROTECTION AREA** shall mean the vulnerable area delineated around groundwater wells. The delineation helps to identify the length of time it would take most contaminants to travel from the location of a spill or leak to the associated well.

- WHPA-A: The area within a 100m radius from a wellhead, considered the most vulnerable area for groundwater intakes
- WHPA-B: The area within which the time to travel to the well (within the aquifer) is up to and including 2 years
- WHPA-C: The area within which the time to travel to the well (within the aquifer) is up to and including 5 years
- WHPA-D: The area within which the time to travel to the well (within the aquifer) is up to and including 25 years
- WHPA-E: A well that is influenced by surface water and is referred to as groundwater under direct influence of surface water

4.190 **WHOLESALE DISTRIBUTION CENTRE** means a building or a part of a building where finished products are stored or kept in bulk for sale to retail establishments, but shall not include a retail store other than a sales outlet.

4.191 **WHOLESALE** means land, a building or structure used for the purpose of selling or offering for sale goods to persons other than the consumer, or the sale of goods in larger than retail quantities.

4.192 **WINE STORE** means a building or part thereof that primarily sells by retail directly to the public, wine or wine based products, but not including the sale of beer or spirits. A wine store shall also be considered a form of Retail Establishment.

4.193 **YARD** means an open, uncovered space on a lot appurtenant to a building and unoccupied by buildings or structures except as specifically permitted elsewhere in this By-Law. In determining 'yard' measurements, the minimum horizontal distance from the respective lot lines shall be used.

4.194 **YARD, EXTERIOR SIDE** means a side yard immediately adjacent to a street.

4.195 **YARD, FRONT** means that part of a lot extending across the full width of a lot between the front lot line and the nearest main wall of any building or structure on the lot. For the purposes of this definition 'main wall' shall include the main wall of a deck, porch, carport, verandah, or other similar structure covered by a roof.

4.196 **YARD, INTERIOR SIDE** means a side yard other than an exterior side yard.

4.197 **YARD, REAR** means that part of a lot extending across the full width of a lot between the rear lot line and the nearest main wall of any building or structure on the lot. For the purposes of this definition 'main wall' shall include the main wall of a deck, porch, carport, verandah, or other similar structure covered by a roof.

4.198 **YARD, REQUIRED** means the minimum yard required by the provisions of this By-Law.

4.199 **YARD, SIDE** means that portion of a lot extending from the front yard to the rear yard of a lot between a side lot line and the nearest main wall of any building, structure, excavation or open storage use on the lot. For the purposes of this definition, "main wall" shall include the main wall of a deck, porch, carport, verandah, or other similar structure covered by a roof.

4.200` **ZONE** means the designated area of land shown on Schedule "A" of this By-Law within which certain uses of land and/or buildings are permitted and certain others are prohibited, where yards are required, where lot area, building height limits and other requirements are established.

SECTION 5: GENERAL PROVISIONS FOR ALL ZONES

5.1 ZONES

For the purposes of this By-Law, the following Zones are established and are shown on Schedule A to this By-Law:

ZONE	SYMBOL
Residential One (R1) Zone	R1
Residential Two (R2) Zone	R2
Residential Three (R3) Zone	R3
Residential Multiple One (RM1) Zone	RM1
Residential Multiple Two (RM2) Zone	RM2
Residential High Rise One (RH1) Zone	RH1
Mixed Residential Commercial (MRC) Zone	MRC
Neighbourhood Commercial (NC) Zone	NC
Central Commercial (CC) Zone	CC
Local Commercial (LC) Zone	LC
General Commercial (GC) Zone	GC
Shopping Centre Commercial (SCC) Zone	SCC
Special Purpose Commercial (SPC) Zone	SPC
Prestige Employment (PE) Zone	PE
General Employment (GE) Zone	GE
Community Facility (CF) Zone	CF
Parks and Open Space (OS) Zone	OS
Future Residential (FR) Zone	FR
Future Community Development (FCD) Zone	FCD

5.2 ACCESSORY BUILDINGS, USES & STRUCTURES

a) Provision For Accessory Buildings and Accessory Uses

Where this By-Law provides that land may be used or a building may be erected altered or used for a purpose, that purpose shall include accessory buildings or accessory uses, but shall not include the following:

- i. any occupation for gain or profit conducted within or accessory to a dwelling unit or on the lot, except as specifically permitted in this By-Law; or
- ii. any building or part thereof used for human habitation, except as specifically permitted in this By-Law.

b) Location Requirements for Accessory Buildings

- i. In a Residential Zone, accessory buildings shall be erected only in a side or rear yard provided that such buildings are erected not closer than:
- 1.5 m from any wall of the main building;
 - 1.25 m from the rear lot line;
 - 1.25 m from the interior side lot line; and
 - 4 m from the exterior side lot line.

The regulations governing the location of any accessory building in relation to a lot line shall not apply in a Residential Zone to prevent the erection or use of a jointly-owned double garage which services two dwellings whose common lot line is the dividing line of such double garage.

- ii. In all Zones other than Residential, an accessory building shall only be erected in a side or rear yard and the setback requirements for the main building shall also apply in the location of an accessory building.
- iii. Notwithstanding sub-paragraph i. above, a boathouse, dock or wharf may be located anywhere in the side or rear yard where such yard abuts a navigable waterway, provided that the approval of any government authority having jurisdiction has been obtained and provided that the boathouse, dock or wharf is located not closer than three (3) metres from a side lot line.

c) Lot Coverage and Height Requirements for Accessory Buildings and Structures

The total allowable lot coverage of all accessory buildings on a lot shall not exceed 10 percent of the lot area. The lot coverage of all accessory buildings on a lot shall be added to the lot coverage of all main buildings to determine the total lot coverage, as regulated by the zone requirements of each particular Zone defined within this By-Law. Porches and/or decks covered by a roof supported by posts extending one or more storeys shall be added to the lot coverage of all main buildings.

The height of any accessory building, as measured from the average finished grade to the top of the roof peak, shall not exceed:

- 6.0 m in a Commercial or Community Facility Zone; and
- 10.5 m in an Employment Zone; and
- 10.5 m in all Other Zones

Residential Zone

The height of an accessory building or structure, in a residential zone or to a residential use, shall not exceed 5 metres (16.4 ft.). Further, the height of such accessory building or structure shall be measured as the mean level between eaves and ridge of a gabled, hip, gambrel or mansard roof, or other type of pitched roof. (B/L 2002-139)

d) Provision For Accessory Structures

Notwithstanding the minimum setback provisions of this By-Law, flag poles, garden trellises, retaining walls and fences may be permitted in the front, rear and side yard and exterior side yard setback areas of all Zones provided they comply with all other provisions of this By-Law, including the Daylighting Triangle provisions.

Notwithstanding the minimum setback provisions of this By-Law, steps, decks and/or porches, which are not covered or enclosed and less than 0.6m from average finished grade, may be permitted in the front, rear, side yard and exterior side yard setback areas of all Zones, provided they comply with all other provisions of this By-Law.

e) Swimming Pool Permitted as an Accessory Use

A private swimming pool is permitted as an accessory use to a permitted residential use in a Residential Zone, or Mixed Residential Commercial Zone provided that:

- i. the swimming pool is located in the rear or side yard of a lot;
- ii. if located in the side yard of any lot, no part of such pool shall be located closer to any lot line than the minimum setback distance required for an accessory building located on such lot;
- iii. if located in the rear yard of any lot, no part of such pool shall be located closer to any lot line than the minimum setback distance required for an accessory building located on such lot;
- iv. a minimum width area of 1.25 m, shall be provided around the entire swimming pool - such area to be clear of all structures, buildings and fences except diving boards, aprons and decking normally associated with a swimming pool;
- v. any building, including a building required for changing clothing or for housing pumping or filtering devices or other similar accessory uses, shall comply with the provisions of this By-Law respecting accessory buildings on such lot, and shall be included in lot coverage calculations;
- vi. any swimming pool with a roofed enclosure, whether temporary or permanent, shall be considered an accessory building and included in accessory building, total lot coverage, and total gross floor area calculations, unless such roofed enclosure is designed and built as an integral part of the permitted main building on such lot - in this instance the swimming pool shall be considered part of the main building and shall be included in lot coverage and total gross floor area calculations for the main building; and

- vii. a swimming pool without a roofed enclosure, whether above ground, inground or otherwise, shall not be considered an accessory building or structure for the purposes of calculating lot coverage or gross floor area in this By-Law.
 - viii. an approved fence with a minimum height of 1.2 m, shall be erected and maintained entirely around a swimming pool. The fence shall be constructed of a board fence with a maximum distance of 5 cm between boards; chain link with a maximum of 5 cm mesh or other design approved by the Chief Building Official for the Town of Lindsay. Gates in the aforesaid fence shall provide protection equivalent to the fence and shall be equipped with a self-latching device and lock located at least 1.2m from grade and inside of the gate.
 - ix. A wall of a building may be considered to provide adequate protection for its length when substituted for any portion of a fence when all doors located in this wall are equipped with locks and/or latching devices located at least 1.2m above the bottom of the door.
 - x. The walls of an above ground pool shall be considered the fence where the height of the wall is at least 1.2 m and the ladder is removable or secured in such a manner as to prevent access to the pool.
 - xi. The maximum height of an above ground pool shall be one and one half (1.5) metres above the average finished grade.
- f) Satellite Dishes
- i. A satellite dish shall only be permitted in the rear or side yard and shall comply with the accessory building regulations of Section 5.2.b)i. and Section 5.5 of this By-Law.
 - ii. Notwithstanding Section 5.2.f)i., a satellite dish may be mounted on a building.

5.3 TEMPORARY USES ASSOCIATED WITH CONSTRUCTION AND SALES

- a) A tool shed, construction trailer, scaffold or other building or structure incidental to construction is permitted in all Zones within the Town of Lindsay on the land where the construction is situated, once an application for a building permit for such construction has been received by the Town to the satisfaction of the Town's Chief Building Official. The building or structure may be temporarily situated on such land until a Certificate of Occupancy for such building(s) or unit(s) under construction has been issued by the Chief Building Official or until construction has been discontinued for sixty (60) consecutive days.

The temporary location of such building or structure incidental to construction shall be set back a minimum of 3m from all lot line boundaries where the construction is occurring.

5.4 DAYLIGHTING TRIANGLE

- a) Notwithstanding any other provisions of this By-Law, all corner lots in all Zones shall be free of any building, structure, hedge, fence, shrub, bush, tree or any other type of vegetation or grade having a height greater than 0.75 m (measured from the finished grade of the streets that abut the corner lot) within the triangular space measured along each corner lot line for a distance of:
 - 9 m from the point of intersection, where each lot line is adjacent to a local road; and
 - 12 m from the point of intersection, where each lot line is adjacent to a collector road, arterial road, County road or Provincial highway.
- b) No sign shall be permitted within or be allowed to overhang the Daylighting Triangle, as required in Section 5.4.a) of this By-Law. An authorized traffic sign or signal, or any sign or notice erected by any governmental authority shall not be subject to this requirement.
- c) Notwithstanding Section 5.4 a), the Daylighting Triangle for the north-east intersection of Victoria Avenue South and Durham Street West shall be measured a distance of 7.6 metres from the intersection of the two roads. (B/L 2007-271)
- d) Notwithstanding Section 5.4 a), the Daylighting Triangle provisions for the north-east intersection of Adelaide Street South and the unopened George Street right-of-way; and the north-west intersection of Albert Street South and the unopened George Street right-of-way shall not apply. (B/L 2017-251)

5.5 SPECIAL SETBACK REQUIREMENTS

For all lots which abut Provincial Highways, County Roads, and Arterial Roads as identified in the Transportation Schedule of the Town of Lindsay Official Plan, the setback requirement abutting such road, shall be increased by 3 m if the said road right-of-way is 20.12 m or less, or 1.5 m if the said road right-of-way is 23.2 m. This special setback distance shall be in addition to the setback provisions required in all Zones, including the setback requirements for accessory buildings in Section 5.2.b) of this By-Law. In all other roads, the minimum setback will be as identified in the zone requirements.

5.6 ESTABLISHED BUILDING LINE IN BUILT-UP AREA

Notwithstanding the yard setback and landscaping provisions of this By-Law, where there is an established building line extending on both sides of a lot, a building or structure may be erected closer to the street line than required by this By-Law, provided such

permitted building or structure is not erected closer to the street line than the established building line that existed on the date of passing of this By-Law. Where the established building line varies on either side of a lot, the permitted building or structure may be erected at a distance equal to the average setback distance of the two established building lines on either side. In the case of a corner lot, the Daylighting Triangle provisions of this By-Law shall prevail.

5.7 EXEMPTION FOR LOT FRONTAGE AND AREA REQUIREMENTS

Where a single lot (transferable in its entirety) has less than the minimum lot area, lot depth and/or lot frontage than required herein at the date of passing of this By-Law, or where such deficiency is created as a result of expropriation, or where a lot is reduced in size due to land being acquired by the Town, County or Province, such smaller lot may be used and a building or structure may be erected, altered or used on such smaller lot provided that all other requirements of this By-Law are complied with.

5.8 PITS AND QUARRIES

No pit, quarry or wayside pit shall be established or made in any area within the Town of Lindsay.

5.9 HEIGHT EXCEPTIONS

The height requirements herein set forth in this By-Law shall not apply to a church spire, church belfry, flag pole, clock tower, chimney, water tank, receiving radio, television or cellular tower or antenna, satellite dish, or air conditioner duct occupying less than five percent of the roof area of the building on which it is located.

5.10 NON-COMPLYING BUILDINGS OR STRUCTURES

a) Non-Complying Provisions

Buildings or structures existing prior to the date of passing of this By-Law, which when erected were in conformity with the by-law in force at the date of erection, may continue as an existing, legal, non-complying building or structure.

A legal non-complying building or structure may be enlarged or extended provided the extension or enlargement complies with the requirements of this By-Law.

b) Restoration to a Safe Condition

Nothing in this By-Law shall prevent the strengthening, restoration or minor changes to the safe condition of any building or structure or part thereof, lawfully used on the date of

passing of this By-Law provided that the strengthening or restoration does not increase the building height, size or volume or change the use of such building or structure.

c) **Damaged Buildings**

Nothing in this By-Law shall prevent the rebuilding or repair of any building or structure that is damaged or destroyed by causes beyond the control of the owner subsequent to the date of passing of this By-Law, provided that the dimensions of the original building or structure are not increased and the use of the building or structure is not altered, except to a permitted use, and provided such rebuilding or repair is conducted within two years of the damage having occurred.

5.11 DWELLING UNIT RESTRICTION

Except as specifically provided for in other Sections of this By-Law, a maximum of one single detached dwelling unit per lot shall be permitted.

5.12 PARKING AND LOADING REQUIREMENTS

- a) For every building or structure to be erected the required parking shall be located on the same lot, shall have unobstructed access to a public street and shall be provided and maintained in conformity with the standards of this Section. Unless otherwise specified, the standards are expressed in one space per specified square metres of gross floor area. If when determining the parking space requirements, the result is a fraction of a parking space, then the number of parking spaces shall be rounded to the next highest whole number.
- b) In instances where the payment of money may be required in lieu of providing off-street parking, the standards of this Section shall be used to determine the off-street parking requirements in which money in lieu is to be accepted.
- c) No less than 3% of the total number of parking spaces required in this By-Law shall be designated for disabled persons parking with minimum dimensions as set out in 5.12 h) of this By-Law.
- d) Where a use is changed within an existing building or structure, and where the new use requires more parking or loading spaces than the former use, the number of additional parking spaces or loading spaces required shall be the difference between the parking spaces or loading spaces required by the new use and parking spaces or loading spaces required by the former use.
- e) Where an addition to an existing building or structure is to be constructed, parking and loading spaces shall be provided for the new construction in accordance with the standards of this Section, in addition to the minimum number of parking and loading spaces already required and/or provided for the existing building or structure.

- f) The parking requirements for more than one use on a single lot or a building containing a number of uses shall be the sum total of the parking requirement for each of the component uses, except in the case of a shopping centre for which the standards are cited specifically, plus the parking requirement for any other use on the same site, shall apply.

g) Minimum Parking and Driveway/Aisle Dimensions

Parking Angle (degrees)	Parking Space Width (m)	Parking Space Length (m)	Driveway/Aisle Width (m)
0 to 20	2.75	6.7	4*
21 to 45	2.75	5.8	4*
46 to 60	2.75	5.8	4*
61 to 75	2.75	5.8	5.5*
76 to 90	2.75	5.8	7

*Access to each aisle shall be from one direction only

-Where there is a combination of two or more types of parking, a minimum 7m aisle width is required to be provided.

-Notwithstanding the above table, where the side of any parking space is located directly adjacent to a solid wall, fence or like structure that is supplied in conjunction with any use other than a single detached, semi-detached, or street townhouse dwelling, the minimum width shall be 3 m.

h) Minimum Disabled Persons Parking and Driveway/Aisle Dimensions

Parking Angle (degrees)	Parking Space Width (m)	Parking Space Length (m)	Driveway/Aisle Width (m)
0 to 20	3.6 plus 1.25 access aisle	6.7	4*
21 to 45	3.6 plus 1.25 access aisle	5.8	4*
46 to 60	3.6 plus 1.25 access aisle	5.8	4*
61 to 75	3.6 plus 1.25 access aisle	5.8	5.5*
76 to 90	3.6 plus 1.25 access aisle	5.8	7

*Access to each aisle shall be from one direction only

Where there is a combination of two or more types of parking, a minimum 7m aisle width is required to be provided.

i) Disabled Persons Parking Requirements

- i. Where disabled persons parking spaces are situated side by side, an access aisle width of 1.25 m may be shared between two disabled persons parking spaces.
- ii. Disabled persons parking spaces shall be located adjacent to the accessible entrance of a building so that disabled persons do not need to pass behind parked vehicles.
- iii. Disabled persons parking spaces shall be properly designated by the International Accessibility symbol mounted both vertically on a sign, as well as on the surface of the parking space in fluorescent blue according to the following dimensions:
 - a painted ground sign shall be a minimum of 1.25 m by 1.25 m in size; and

- a parking control sign shall be located 1.5 m above ground and shall be a minimum of 0.3 m by 0.3 m in size.

j) Standards for Parking Lots and Driveways

The following development standards shall apply to all parking lots and driveways required under this By-Law:

- i. where a use or purpose in Section 5.12 k) above, requires that parking be provided for visitors, such parking shall be designated, signed and maintained exclusively for visitor parking;
- ii. the parking lot shall have visible boundaries and be suitably drained to the satisfaction of the Town Engineer;
- iii. except as provided elsewhere in this By-Law, the parking lot shall be located on the same lot as the use for which it is intended to serve;
- iv. the minimum distance between two separate driveways on one lot, measured along the street line shall be 9 m;
- v. no driveway shall be located closer than 15 m to the limits of the right-of-way at a street intersection;
- vi. no driveway shall be closer than 0.6 m to a side lot line - this shall not apply to prevent the establishment of two abutting driveways in a Residential Zone which service a jointly-owned double garage between two dwellings whose common lot line shall be the dividing line of such double garage and this shall not apply to prevent the establishment of a joint or mutual driveway serving two lots in a Commercial or Employment Zone as a means of reducing the number of access points onto collector, arterial, County roads or Provincial Highways;
- vii. all parking spaces within a parking lot shall be delineated by painted lines on paved surfaces or cement parking curbs placed along the width of each parking space for non-paved surfaces;
- viii. no part of the required front yard of any lot shall be used for the parking or storage of any trailer or the body of any truck, bus or coach;
- ix. all parking lots shall comply with the landscaping requirements detailed in Section 5.14.e) and f) of this By-Law; and
- x. in Residential Zones:
 - in an R1, R2, R3, RM1 and RM2 Zones, where the use of the property is for a single detached, semi-detached, duplex or townhouse dwelling, parking in the front yard of a lot is restricted to parking on a driveway, such driveway to have a minimum width of 3 m and a maximum width of 7.5 m - in all other Residential Zones, parking shall be in the side or rear yard only;
 - not more than 30% of the lot area shall be occupied by open parking spaces, driveways, vehicle movement areas, and open areas devoted to the parking and storage of trailers and recreational vehicles;

- no part of any residential lot shall be used for the parking or storage of any commercial motor vehicle in excess of one ton capacity - for the purposes of this Section, commercial motor vehicles shall mean any motor vehicle having permanently attached thereto a truck or delivery body and without limiting the generality of the foregoing includes ambulances, hearses, motor buses and tractors;
- the parking or storage of a trailer or recreational vehicle shall be permitted in all yards in accordance with the following:
 - the trailer or recreational vehicle together with all appurtenant parts must be wholly contained within the lot;
 - the areas devoted to the parking and storage of trailers and recreational vehicles shall be in addition to the required residential parking spaces set out in Section 5.12 k) i. of the By-law.
- the parking or storage of a trailer other than a utility trailer shall be limited to the seasonal period between April 1 and November 30 of the same year.
- the parking or storage of a recreational vehicle in the front yard shall be limited to the in-season vehicle use. Off-season parking and storage shall be restricted to the side and rear yard of the lot.
- no part of any trailer on a lot shall be used for the purposes of providing temporary or permanent living, sleeping or eating accommodations, regardless of whether such vehicle is jacked up or has its running gear removed.

xi. Mixed Residential Commercial Zones

- Parking is to be provided in the rear and side yards only
- Not more than 50% of the lot shall be used for parking

k) Except as otherwise stated, the number of parking spaces required shall be as set out in the following tables.

5.12 k) i. RESIDENTIAL PARKING REQUIREMENTS

PURPOSE OR USE	MINIMUM PARKING SPACES REQUIRED
Accessory Apartment – Bachelor, 1 or 2 Bedroom	1 Parking Space
Accessory Apartment - 3 Bedrooms or Larger	.5 Spaces Per Bedroom
Apartments - Condominium	1.3 Per Dwelling Unit Plus .25 Per Dwelling Unit For Exclusive Use Of Visitors

Over 4,500	1

- b) In a Commercial, Community Facility, Prestige Employment and/or Residential Zone, no loading space shall be located within the front or exterior side yard.

5.14 LANDSCAPING AND BUFFER REQUIREMENTS

- a) In all Zones, landscaping shall be neat and orderly in appearance and maintained in a healthy condition.
- b) Notwithstanding anything else in this By-Law, where a Commercial or Employment Zone abuts a Residential or Community Facility Zone, either of the following provisions shall be required:
- a landscaped strip of land not less than 3.0 m in width, situated inside the Commercial or Employment Zone boundary; or

- a landscaped strip of land not less than 1.8 m in width with an opaque wood fence not less than 1.8 m in height, situated adjacent to the landscaped strip inside the Commercial or Employment Zone boundary.

The landscaped strip shall provide for high and low level visual screening and allow for the provision of driveways to the Commercial or Employment Zoned lot. As a minimum, the landscaped buffer shall consist of a continuous, unpierced hedgerow of evergreens and shrubs, not less than 1.2 m high at the time of planting and shall be situated immediately adjacent to the lot line or portion thereof, along which such landscaped buffer is required.

- c) In an Employment and Commercial Zone, a landscaped strip of a minimum width of 1.8 m shall be required along the interior side and rear yards of a lot, where such interior side and rear yards do not abut a Residential or Community Facility Zone. The landscaped strip shall provide for high and low level visual screening and allow for the provision of driveways to the Employment or Commercial Zoned lot. As a minimum, the landscaped buffer shall consist of a continuous hedgerow of evergreens and shrubs, not less than 1.2 m high at the time of planting and shall be situated immediately adjacent to the interior side and rear lot lines.
- d) In a Community Facility Zone, a landscaped strip of a minimum width of 1.8 m shall be required in the interior side and rear yards of a lot. The landscaped strip shall provide for high and low level visual screening and allow for the provision of driveways to the Community Facility Zoned lot adjacent to a Residential Zone. As a minimum, the landscaped buffer shall consist of a continuous hedgerow of evergreens and shrubs, not less than 1.2 m high at the time of planting and shall be situated immediately adjacent to the interior side and rear lot lines.

Where an apartment building exists in a Community Facility Zone, the landscaping requirements of Section 5.14.g) shall prevail.

- e) All parking lots situated in a rear and/or side yard shall provide a landscaped strip of a minimum width of 1.8 m around the parking lot. This landscaped strip shall not be in addition to any landscaped strips required in Sections 5.14.b), c), d), f) and g). As a minimum, the landscaped buffer shall consist of berming or densely planted evergreens and shrubs, not less than 1.2 m high at the time of installation or planting and shall be situated around the perimeter of the parking lot, exclusive of driveways.
- f) In all Zones, other than a Residential R1, R2, R3, RM1 and RM2 Zone where a single-detached, semi-detached, duplex or townhouse is proposed, a landscaped strip shall be provided along a front and exterior side yard adjacent to a public road frontage. The landscaped strip shall provide for high and low level visual screening and allow for the provision of driveways to the Zoned lot. As a minimum, the landscaped buffer shall consist of a continuous hedgerow of evergreens and shrubs, not less than 1.2 m high at the time of planting and shall be situated immediately adjacent to the front and exterior side lot lines.

Where a front or exterior side lot line abut an arterial road, County road or Provincial highway, the landscaped strip shall be a minimum width of 6 m. Where a front or exterior side lot line abut a collector or local road, the landscaped strip shall be a minimum width of 3 m.

g) Landscaping provisions for an apartment building shall be as follows:

- a strip of land not less than 1.8 m wide for landscaping shall be required in the interior side and rear yards - such landscaped strip shall provide for high and low level visual screening, allow for the provision of driveways, and shall consist of a continuous hedgerow of evergreens and shrubs not less than 1.2 m high at the time of planting, situated immediately adjacent to interior side and rear lot lines; and
- a strip of land not less than 1.8 m wide for landscaping abutting the walls of an apartment building shall be required where dwelling units on the ground floor have windows to habitable rooms, which face onto a driveway or parking lot - such landscaped strip shall provide for high and low level visual screening and shall consist of a continuous hedgerow of evergreens and shrubs, not less than 1.2 m high at the time of planting.

5.15 SPECIAL SETBACKS FOR COMMERCIAL AND EMPLOYMENT ZONES

Where an Employment or Commercial Zone abuts a Residential Zone, no Employment or Commercial building shall be located closer than one half the height of the building or 7.5 m, whichever is the greater, to the interior side or rear lot line of the Commercial or Employment Zoned lot which abuts the said Residential Zone.

5.16 MORE THAN ONE LOT

Notwithstanding any provisions or definitions in this By-Law to the contrary, no person shall use two or more abutting lots as a single lot in order to comply with the provisions of this By-Law, unless the lots are merged in title.

5.17 USES IN PUBLIC RIGHTS-OF-WAY

In this By-Law, the property line abutting a public right-of-way forms the boundary of a zone. As a result, zoning does not apply to public rights-of-way and on this basis no uses are permitted in rights-of-way except those normally associated with the right-of-way such as public street furniture, mail boxes and newspaper boxes. Certain uses permitted on the property abutting the right-of-way may also be permitted within the adjacent right-of-way, subject to the approval of the authority having jurisdiction over the right-of-way, subject to any easements and subject to the issuance of a license by the municipality. Such license shall establish the use or uses permitted, the hours of operation of the use or uses and the limits of the use or uses, ensuring that the

sidewalk remains unobstructed. Uses that may be permitted include sidewalk cafes and fruit stands and similar uses but shall not include permanent structures.

5.18 PUBLIC USES PERMITTED

a) None of the provisions of this By-Law shall apply to prevent the use of any land or the erection or use of any building or structure, or part thereof, for the purpose of public service by a public authority as defined herein, nor for the purpose of essential services or utilities or work by any telephone, telecommunications, cable television, electrical energy distribution company or natural gas company or any railway or pipeline company, provided that where such land, building or structure is located:

- i. no goods, material, or equipment shall be stored in the open;
- ii. the lot coverage and setback requirements prescribed for the Zone in which the use, building or structure is to be located are complied with;
- iii. parking requirements prescribed for the use or Zone within which it is to be located are complied with as provided for in Section 5.12 of this By-Law;
- iv. any building or structure erected under the authority of this paragraph shall be designed and maintained in general harmony with buildings of the type permitted in such Zone; and
- v. landscaping and buffering requirements of Section 5.14 of this By-law are complied with.

b) Streets and Installations on Streets

Nothing in this By-Law shall prevent land being used as a street or prevent the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipe line, or overhead or underground electrical, telephone or other supply and/or communication line, provided that the location of such installation has been approved by the Town and/or the appropriate governmental authority.

5.19 THROUGH LOTS

Where a lot other than a corner lot has frontage on more than one street, the front yard setback and other requirements contained herein shall apply on each street in accordance with the provisions of the Zone or Zones in which such lot is located.

5.20 GROUP HOMES

- a) A group home shall be permitted in a residential dwelling unit within any Residential Zone provided that it complies with the regulations of the Zone in which it is situated and Sections 5.20.b) and c) of this By-Law, and provided that it is registered with the Town's Registrar of Group Homes.
- b) A group home in which not more than 6 persons (exclusive of supervisory or attendant staff) reside shall be permitted in a residential dwelling unit subject to the following:
 - i. the group home shall not be located within 300 m of any other group home; and
 - ii. the group home shall comprise the sole use of the dwelling unit.
- e) A group home to accommodate more than 6 persons, to a maximum of 10 occupants (exclusive of supervisory or attendant staff), may be permitted in a residential dwelling unit subject to the following:
 - i. no such group home may locate in a neighbourhood depicted in Schedule "A" of this By-Law unless such neighbourhood is not occupied by another municipally registered group home;
 - ii. the group home shall not be located within 300 m of any other group home; and
 - iii. the group home shall comprise the sole use of the dwelling.
- f) Any existing group home which satisfies Provincial standards of operation but which fails to comply with the requirements of this By-Law on the date that this By-Law comes into effect, will be allowed to continue in operation, but will not be permitted to expand or increase its number of occupants (exclusive or supervisory or attendant staff) unless such expansion complies with the provisions of this By-Law.

5.21 CRISIS CARE RESIDENCE

- a) A crisis care residence shall be permitted in a residential dwelling unit within the MRC Zone provided that it complies with the regulations of the Zone and the following:
 - i) the crisis care residence shall not be located within 300 m of any other crisis care residence or group home
 - ii) the crisis care residence shall comprise the sole use of the dwelling unit.

5.22 LODGING, BOARDING OR ROOMING HOUSE

- a) A lodging, boarding or rooming house shall be permitted in a residential dwelling unit within any Residential R1, R2, R3 or MRC Zone provided that it complies with the regulations of the Zone in which it is situated and Sections 5.22 b) and c) of this By-Law, and provided that it complies with Town of Lindsay By-Law(s)

regulating Lodging Houses and the Keepers of Lodging Houses, and is licensed by the Town of Lindsay.

- b) A lodging, boarding or rooming house in which either lodging or lodging and meals is supplied by the proprietor for monetary gain to 6 persons or fewer, shall not be located within 300 m of any other boarding or rooming house.
- c) A lodging, boarding or rooming house in which either lodging or lodging and meals is supplied by the proprietor for monetary gain to more than 6 persons, to a maximum of 10 persons, shall be permitted in a residential dwelling unit subject to the following:
 - i. no such lodging, boarding or rooming house may locate in a neighbourhood depicted in Schedule “B” of this By-Law unless such neighbourhood is not occupied by another municipally registered boarding or rooming house; and
 - ii. the lodging, boarding or rooming house shall not be located within 300 m of any other boarding or rooming house.

5.23 HOME OCCUPATIONS

Notwithstanding the Permitted Uses listed elsewhere in this By-Law, a Home Occupation is a permitted use in all zones that permit dwelling units, subject to the following provisions:

- a) There shall be no more than one home occupation in a dwelling unit;
- b) The home occupation use shall be clearly secondary to the use of the dwelling as a private residence;
- c) Only one person who resides at the said dwelling unit, plus one assistant, who may or may not reside in the dwelling may conduct the said home occupation;
- d) The gross floor area taken up by the home occupation shall be no more than 30% of the gross floor area of the dwelling unit, or a maximum of 30 square m whichever is the lesser;
- e) The home occupation shall not change the external character of the premises as a private residence;
- f) There shall be no display or advertising other than a plate or sign, which is not flashing and is not larger than .09 m² indicating only the name, occupation and practicing hours of the home occupation and shall be attached and parallel to a main wall of the building;
- g) The home occupation shall not generate adverse effects such as that from electrical interference, excessive noise, odour, traffic or parking;

- h) There shall be at least one off-street parking space for every 15 square m of floor area occupied by the home occupation in addition to any residential requirements. All the parking for the home occupation must be accommodated on the same lot as the dwelling wherein the home occupation occurs;
- i) All goods and materials are stored within a wholly enclosed building;
- j) No machinery, instrument or hazardous or noxious chemicals shall be used in conducting the said home occupation that is not normally used in a residence or compatible with a residential area;
- k) No retail sales shall be permitted as part of a home occupation use other than the sale of what is produced or repaired on site and/or catalogue sales where goods, wares, merchandise are not kept for sale on the premises;
- l) A Day Nursery or Day Care Centre shall not be permitted as a Home Occupation;
- m) A bed and breakfast establishment shall be permitted in a Residential R1, R2 or R3 Zone and in a Mixed Residential Commercial MRC Zone, as a home occupation provided that:
 - i. the parking provisions of Section 5.14 of this By-Law are complied with,
 - ii. the provisions of Section 5.23 exclusive of 5.23.h) of this By-Law are complied with, and
 - iv. not more than three guest rooms are being offered or supplied through the bed and breakfast establishment.

5.24 YARD AND SETBACK ENCROACHMENTS PERMITTED

Notwithstanding the provisions of this By-Law, the only structures permitted to project or overhang into a yard setback area, unless otherwise stipulated by this By-Law, shall be the following:

- i. eaves, cornices, canopies, awnings, roofs or other overhanging projections of a building may extend a distance of not more than 0.6 m into a front, rear or side yard setback area;
- ii. an open platform or stairway (excluding a fire escape) may extend a distance of not more than 0.9 m into a front, rear or side yard setback area;
- iii. a fire escape may extend a distance of not more than 0.9 m into a side or rear yard setback area;
- iv. an open terrace, deck or porch with a maximum height of 1.8m, may extend a distance of not more than 2.4 m into a rear yard setback area; and

- v. a canopy or portico over the major entrance to an apartment building may project into the required yard a distance equal to one-half the setback of the building from the street line; and
- vi. in a Residential Zone,
 - a chimney of a maximum width of 2.4 m may project a distance of 0.6 m into a side or rear yard setback area, and
 - an open balcony or porch may extend a distance of not more than 1.8 m into a front, side or rear yard setback area.

5.25 REGULATIONS FOR A SERVICE STATION

Notwithstanding anything else in this By-Law, where a lot is used for a service station the following provisions shall apply:

- i. no portion of any pump island or pump island canopy shall be located closer than 6 m from any lot line;
- ii. the maximum width of a driveway at the street line shall be not more than 9 m and the minimum width not less than 7.5 m. The width of the ramp shall be measured perpendicular to the centreline of the driveway;
- iii. the minimum distance from a driveway to the limits of a right-of-way at a street intersection shall be 15 m;
- iv. the minimum distance between driveways on the same lot shall be 9 m;
- v. the minimum distance from the intersection of any property line of the lot and the street line to the nearest driveway shall be 3 m;
- vi. the area between driveways or between a driveway and a street line or property line shall not be used for any purpose other than landscaping;
- vii. the minimum lot frontage for interior and corner lots shall be 60.0 m. The minimum lot depth for interior lots shall be 45.0m and for corner lots shall be 60.0m;
- viii. the following minimum provisions shall apply to all buildings:

a) Front yard	18.0m
b) Interior Side Yard	4.5m
c) Exterior Side Yard	10.0m
d) Rear Yard	7.5m

5.26 FENCES

Except as otherwise provided, a fence may be erected in any Zone provided the provisions of Section 5.4 of this By-Law are complied; and

- a) In a Residential Zone:

- i. No fence in a minimum front yard; or in a legal non-complying front yard; or in the front yard established by Section 5.6 of this By-Law, shall be greater than 1 m in height. (B/L 2007-240)
 - ii. Any fence greater than 1.5 m in height shall be of open construction allowing at least 15% light and air passage.
- b) In an Employment Zone:
- i. Where a lot is used for a salvage yard, the following fencing regulations shall apply:
 - the area used for the storage of materials must be enclosed by a fence, constructed of wooden boards (not less than 10 cm in width and spaced no more than 2.5 cm apart) to provide a visual barrier;
 - gate(s) will be permitted as part of the fencing enclosure to allow for driveway(s) to and from the salvage yard;
 - the height of fencing and gate(s) enclosing a salvage yard shall be a minimum of 2 m and a maximum of 3 m, such height shall be maintained uniformly around the perimeter of the salvage yard, except that the length of a wall of a building (at least 2m in height) at the perimeter, is permitted to substitute for that portion of the fence;
 - any materials stored in a salvage yard shall not be placed or piled to a height in excess of the fence height enclosing such yard; and
 - the fence enclosing a salvage yard shall be kept in good repair and painted, stained or treated on the outside with one colour.

5.27 FRONTAGE ON PUBLIC STREETS

No building or structure shall be erected in any Zone after the date of passing of this By-Law, unless the lot upon which such building or structure is to be erected fronts upon and gains direct access onto an improved public street, maintained year round. This requirement, however, shall not apply to prevent the erection of a permitted building or structure on a lot in a serviced, Registered Plan of Subdivision, where a subdivision agreement has been entered into with the Municipality but where the street has not yet been assumed by the Municipality.

5.28 OUTSIDE STORAGE

Unless otherwise specified in this By-Law, outside storage shall not be permitted in any Zone within the Town.

5.29 PUBLIC ACQUISITION

Any land acquired by the Municipality, County, Province or other Public Authority which results in a legally conveyable lot becoming non-complying or further reducing an existing non-complying legally conveyable lot, then the lot shall be deemed an existing legal non-complying lot.

5.30 PLACE OF AMUSEMENT

Where a place of amusement is a permitted use in a Zone, it shall not be located closer to any school property than 300 m.

5.31 SERVICING

All lots shall be serviced by municipal water and sanitary sewers.

5.32 SCUGOG RIVER CORRIDOR

Schedule "B" to this By-Law delineates a corridor area along the Scugog River and identifies Environmentally Sensitive Areas and Waste Disposal Assessment Areas. Lands situated wholly or partly within the "Scugog River Corridor" are subject to the provisions of Section 3.1 of the Town of Lindsay Official Plan and the regulations of this By-Law. Where a Full or Partial Environmental Impact Study is required as per the Town of Lindsay Official Plan, the actions necessary to change, mitigate or remedy the effects on the proposed use by the physical hazard or sensitive feature shall be incorporated as a special provision incorporated in the associated zoning for the subject lands.

5.33 WASTE DISPOSAL ASSESSMENT AREAS

No development other than a parking lot or park (no buildings) may proceed on these lands until the provisions of Section 3.1 of the Official Plan are met and the lands are rezoned to permit other uses.

5.34 QUONSET BUILDINGS

A quonset-type building shall not be permitted in any Zone.

5.34 Deleted. B/L2020-160

5.35 ADDITIONAL RESIDENTIAL DWELLING UNITS

Notwithstanding the permitted uses, maximum densities, minimum gross floor areas, and maximum gross floor area as a percentage of lot area listed elsewhere in this By-law, additional residential dwelling units are permitted in all zones that permit single detached, semi-detached, or townhouse dwelling units, subject to the following provisions:

- i. A maximum of two (2) additional residential dwelling units, one (1) within the same building as the primary residential dwelling unit and one (1) within an accessory building or structure to the primary residential dwelling unit.
- ii. Unless otherwise stated, all zone provisions continue to apply to an additional residential dwelling unit.
- iii. An additional residential dwelling unit located in an accessory building or structure shall be in accordance with the provisions in the subsection 5.2. An accessory building or structure containing an accessory residential dwelling unit located on an upper storey shall have a maximum height of 10 m and minimum yard setback of 1.2 m.
- iv. A lot has frontage on an improved public street, maintained year round.
- v. The floor area of the additional residential dwelling unit is equal to, or less than, the gross floor area, excluding attached garage floor area of the primary residential dwelling unit without any modification to the building's bulk or massing.
- vi. Where applicable, an additional residential dwelling unit shall not be permitted on a lot which contains a bed and breakfast establishment.
- vii. At a minimum, on-site parking shall be provided in accordance with the requirements for the primary residential dwelling unit. Where there is a home occupation in an additional residential dwelling unit, parking shall be in accordance with subsection 5.23.
- viii. An additional residential dwelling unit shall be accessed from the street via a walkway or driveway.

- ix. An additional residential dwelling unit or part thereof shall not be within the floodplain or water setback.
- x. Compliance with the provisions of the Ontario Building Code, Fire Code and all other relevant municipal and provincial standards.
- xi. Registration of the additional residential dwelling unit in accordance with the City's Additional Residential Unit Registration By-law.

5.36 SOURCE WATER PROTECTION

- 5.36.1 All development will comply with the Clean Water Act through the applicable Source Protection Plans, as amended from time to time.
- 5.36.2 For all applicable terms, refer to the Definitions Section of this By-law. Refer to the applicable Source Protection Plans for terms not defined herein.
- 5.36.3 Wellhead Protection Areas (WHPAs) and Intake Protection Zones (IPZs) are identified as an overlay layer on Schedule "A" and include all levels of vulnerability for municipal water sources serving the City.
 - 5.36.3.1 In the case of WHPAs the extent of the vulnerable area encompasses WHPA-A through WHPA-E.
 - 5.36.3.2 In the case of IPZs the extent of the vulnerable area encompasses subzones IPZ-1 and IPZ-2.
- 5.36.4 Notwithstanding the uses permitted by the underlying zone category in this By-law, the following land use activities shall be prohibited in the vulnerable areas identified on Schedule 'A' to this By-law where they would constitute a future significant drinking water threat under the Clean Water Act, unless stated otherwise in the applicable Source Protection Plans:
 - 5.36.4.1 Waste disposal sites
 - 5.36.4.2 On-site sewage systems (in excess of 10,000 L)
 - 5.36.4.3 The application, storage or management of agricultural source material
 - 5.36.4.4 The application, handling or storage of non-agricultural source material
 - 5.36.4.5 The application, handling or storage of commercial fertilizer
 - 5.36.4.6 The application, handling or storage of pesticide
 - 5.36.4.7 The handling or storage of road salt
 - 5.36.4.8 The storage of snow
 - 5.36.4.9 The handling or storage of fuel
 - 5.36.4.10 The handling or storage of a dense non aqueous phase liquid
 - 5.36.4.11 The handling or storage of an organic solvent
 - 5.36.4.12 The use of land as livestock grazing or pasturing land, an outdoor confinement area or a farm-animal yard

- 5.36.5 Notwithstanding the list of prohibited land use activities in Section 2.4, a Risk Management Official may issue a written decision enabling the City to determine that a site-specific land use activity is permitted in accordance with Section 58 and Section 59 of the Clean Water Act based on location, amount and extent of the threat.
- 5.36.6 Within the vulnerable area illustrated on Schedule 'A', as it applies to dense non aqueous phase liquids, Section 2.4 shall not apply to incidental volumes used as part of a residential use.
- 5.36.7 Where a conflict may arise between Source Water Protection provisions in this By-law and any other provisions herein, the provision(s) that afford the greatest protection to surface and groundwater shall prevail to the extent necessary to resolve the conflict.

5.37 CANNABIS PRODUCTION AND PROCESSING FACILITIES

- 5.37.1 Notwithstanding any other provision of this Bylaw, Cannabis Production and Processing Facilities shall be subject to the following provisions; this by-law only allows for the Production and Processing of cannabis for operators in possession of a valid license or registration by the federal Minister of Health, pursuant to the Access to Cannabis for Medical Purposes Regulations, SOR/2016-230, to the Controlled Drugs and Substances Act, SC 1996, c 19, as amended from time to time, or any successors thereto.
- 5.37.2 The cannabis production and processing facility shall comply with all regulations prescribed within the zones where the use is permitted.
- 5.37.3 Notwithstanding 5.37.2:
- i. in the Rural General (AI) Zone and General Industrial (M1) Zone, a cannabis production and processing facility equipped with air filtration control shall not be located close than 70m to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.
 - ii. in the Rural General (AI) Zone and General Industrial (M1) Zone, a cannabis production and processing facility without air filtration control shall not be located close than 300m to a Sensitive Land Use. This setback shall be measured from the building line or crop line of the Cannabis Production and Processing Facility to the nearest building line of the sensitive land use.

SECTION 6: RESIDENTIAL ONE (R1) ZONE

6.1 R1 USES PERMITTED

No persons shall hereafter change the use of any building, structure or land or erect or use any building or structure in a Residential One (R1) Zone, except for the following use:

- a. Single detached dwelling
- b. Home occupation in a dwelling
