

Owner Authorization

The Owner Authorization form is used for an Entrance Permit Application where the Applicant (Authorized Agent) is not the registered Property Owner. The Applicant must have the Property Owner sign the form to authorize the Applicant (Authorized Agent) to act on their behalf as it relates to the installation or modification of an entrance.

The form is signed by both parties and submitted as part of the Entrance Permit Application on Permit Central.

Legal owner(s) is authorizing another party to obtain an Entrance Permit on their behalf *

- Yes
- No

Legal owner(s) of the property *

Lot

Concession

Part(s)
