Thrive Housing and Supports

Are you interested in receiving personal support services to be able to continue to live in your own home? Thrive Housing and Support's two main support programs are Outreach and Supportive Housing. Both are funded through Ontario Health and are offered to people over the age of 16 who have physical disabilities, acquired brain injuries or have challenges related to their age. The areas we service are Peterborough City and County, Northumberland, City of Kawartha Lakes, and Haliburton. Participants must need personal support services to be eligible for Thrive Housing and Support services. This means help with personal hygiene, eating, dressing or mobility. In addition to personal care, we can also offer homemaking services such as help with housecleaning, laundry, shopping and preparing meals.

Outreach support takes place in client homes with scheduled visits from a Personal Support Worker (PSW). If you are interested in applying for this service, please visit <https://www.thrivehs.ca/supportive-housing.html>. Please fill out the application and return it to our office at Thrive Housing and Support, 77 Towerhill Road, Peterborough, ON, K9H 7N3.
