

Environmental Assessment for Anne St and Front St Sewage Pumping Station, Bobcaygeon City of Kawartha Lakes Notice of Study Completion

March 5, 2026

The City of Kawartha Lakes (City) has Completed a Municipal Class Environmental Assessment (Class EA) study for Design phase of Anne St and Front St Sewage Pumping Station (SPS) along with Forcemain upgrades in Bobcaygeon. This includes site investigation, assessment of existing infrastructure, consideration of alternative solutions, and is currently working on the development of a detailed engineering design, to accommodate increased growth within the north side of the Bobcaygeon River.

This study was carried out in accordance with the requirements for Schedule "B" Municipal Class Environmental Assessment. The planning and decision-making process which includes consultation with public, first nations, and review agencies, Assessment of environmental impacts of alternative solutions, and identifications of the preferred solution has been completed. The project report is available for viewing on-line on the Municipal website.

The 30-day public review period will commence on March 5, 2026. For more information or to provide comments please email one of the following project contacts by April 5, 2026.

The public has the ability to request a higher level of assessment on a project if they are concerned about potential adverse impacts to constitutionally protected Aboriginal and treaty rights. Additionally, the minister may issue an order on his or her own initiative within a specified time period. The director (of the Environmental Assessment Branch) will issue a Notice of Proposed Order to the proponent if the minister is considering an order for the project within 30 days after the conclusion of the comment period provided in the Notice of Completion. Further, the proponent may not proceed after this time if:

- a Section 16 Order request has been submitted to the ministry regarding potential adverse impacts to constitutionally protected Aboriginal and treaty rights, or
- the Director has issued a Notice of Proposed Order regarding the project.

Members of the public must ensure that concerns are directed to the proponent for a response, and that in the event there are outstanding concerns regarding potential adverse impacts to constitutionally protected Aboriginal and treaty rights, Section 16 Order requests on those matters should be addressed in writing to:

Minister, Ministry of the Environment Conservation and Parks
777 Bay Street, 5th floor
Toronto ON, M7A2J3
Minister.mecp@ontario.ca

and

Director, Environmental Assessment Branch Ministry of Environment Conservation and Parks
135 St. Clair Ave. W, 1st Floor
Toronto ON, M4V 1P5
EABDIRECTOR@ontario.ca

For more information on requests for orders under Section 16 of the Environmental Assessment Act visit: <https://www.ontario.ca/page/class-environmental-assessments-section-16-order>.

This notice issued on March 5, 2026.

Under the Freedom of Information and Protection of Privacy Act and the Environmental Assessment Act, unless otherwise stated in the submission, any personal information such as name, address, telephone number and property location included in a submission will become part of the public record files for this project and will be released, if requested, to any person.
